

PERSONALS.

G. A. Ord has recently sold his farm, just above Goss Hollow, to Joe Burgess. Possession will be given the first of next May. Mr. Ord is undecided as to where he will go, but expects to move nearer the village.

Friday afternoon the buildings on the farm known as the "Peter Clement" farm, now owned by Duncan McCuaig, were burned. Only a little of the furniture was saved as the fire was not discovered in season. Mrs. McCuaig was in the barn milking when one of the children came in and told her that the barn was on fire. The neighbors were called and Mr. McCuaig was called from the shops where he was employed. The buildings were insured to the extent of \$1200. Hardly any furniture was saved, none that was in the chambers. It is supposed that the fire originated in spontaneous combustion, from the hay, which had been put in the barn while a little damp.
